Contemporary Tree House

ARROYO GRANDE, CALIFORNIA

3,088 SF | 2012

The Contemporary Tree House is a custom home nestled in the ancient oaks of Las Ventanas. Abbott|Reed carefully selected the site layout to blend naturally into the native vineyard landscape. The team utilized custom building materials designed specifically to achieve a tree house look and feel. Veteran builders implemented a unique split-level design and an inverted roof to add personality to the project. The homeowner and residence are featured in SLO Life Magazine.
