Tuscan Villa Conversion

ARROYO GRANDE, CALIFORNIA

6,000 SF | 2010

This project transformed a plain home built in the early 1980s into a sophisticated Tuscan Villa. Abbott|Reed managed a complete exterior remodel of the home, constructing a custom outdoor kitchen, innovative infinity edge spa and pool house, as well as native solutions to re-landscaping the property. The homeowners lived on site while the remodel was underway; Abbott|Reed committed to ensuring their privacy and comfort by completing all work efficiently with minimal disruption.
